Journal of
Biomolecules, Pathogenesis and Therapeutics
OPEN ACCESS
An International, Peer-Reviewed, Biomedical Research Journal

Table of Contents

Title	Author/s	Pages
FROM THE CHIEF EDITOR'S DESK		
Inaugural Issue: December, 2025		1-1
EDITORIAL		
Artificial Intelligence in TME Research: Hype, Hope, or Both?	Ayisha Yousaf, Fatima Ali	2-3
SCIENTIFIC COMMUNICATION		
Ultraweak Photon Emission in the Brain: Mechanism and Prospects for Non-Invasive Neural Monitoring	Samreen Memon, Seemya Kaya, Hafiz Muhammad Haseeb Khaliq	4-7
ARTICLES		
Impact of Periodontal Therapy on Systemic Inflammation and Renal Function in Chronic Kidney Disease: A Secondary Cohort Analysis	Amna Ehsan, Muneeba Ashraf, Muhammad Ikram, Kanwal Ehsan	8-12
Evaluating the Antibiotic therapy in diabetic patients in diverse clinical settings	Muhammad Junaid, Imran Sadiq	13-17
Perioperative Modulation of Recovery Kinetics and Analgesic Efficiency in Minimally Invasive Abdominal Surgery	Ayesha Shafqat, Muhammad Ahmed Saleem, Muhammad Amjad Khan	18-22
Cardiac Dose Risk Stratification and Determinants of Radiation Exposure in Breast Cancer Patients Undergoing Advanced Radiotherapy	Iqra Iftikhar	23-27
Laboratory Workflow Determinants Affecting Glucose Integrity: A Secondary Analysis of Pre-Analytical Errors	Asma Hafiz, Ammara Khan, Ehsan Sattar, M Irshad	28-32
Molecular and Cytopathological Determinants of Malignant Transformations in Oral Leukoplakia: A Meta-Analytic Synthesis of AgNOR, DNA Ploidy, Cytokeratin, and Podoplanin Evidence	Kashaf Asghar, Rameesh Ashraf, Muhammad Taimoor, Aqeel Ahmed, Hamdan Khalid	33-38
Thyroid Hormone Dysregulation and Ovulatory Pathogenesis in Women: A Systematic Review and Meta-Analysis of Endocrine and Reproductive Biomarkers	Nimra Asghar, Zuha Tariq Minahil Tahir, Fatima Ali, Muhammad Akram, Ejaz Ehsan, Khan, Khaleeq Ullah	39-45
Neuroinflammatory and Structural Brain Changes Associated with Nonalcoholic Fatty Liver Disease: A Systematic Review	Ehsan Khan, Sabeeha Saddique, Syeda Maira Gillani, Sitara Ejaz, Sidra Anwar, Uday shree Akkala	46-50
CORRESPONDENCE		
Dengue-Associated Myocarditis: Clinical Spectrum, Pathogenesis, and Implications for Shock and Mortality	Mostafa Ahmed Abdellah Ahmed, Ehsan Ul Haq	51-52
